## PROFESSIONAL SUMMARY

B.Tech Computer Engineering graduate with Full Stack Development training from IT Vedant and a strong foundation in programming, software development, and problem-solving. Eager to begin my professional career in a challenging environment where I can apply my technical knowledge, continuously learn new technologies, and contribute to meaningful projects. Committed to delivering high-quality work, collaborating effectively with teams, and growing into a skilled software professional.

---

## SKILLS

- **Programming Languages:** HTML, CSS, JavaScript, Python, Java, SQL
- **Frameworks & Libraries:** Bootstrap, ReactJS, Spring Boot
- **Database:** MySQL
- **Tools & Platforms:** VS Code, node.js, MS Excel

---

## PROJECTS

### Art Exhibition Platform :

- **Description :-** Developed a web-based Art Exhibition Platform that enables artists to showcase their artwork and allows users to explore, view, and interact with various art collections. Implemented a responsive user interface, artwork management features, user authentication, and database integration to enhance user experience and streamline exhibition management.
- **Technologies :-** HTML5, CSS3, Bootstrap JavaScript ES , Python, Django, SQLite, PostgreSQL

### E-Commerce Website :

- **Description :-** Developed a full-stack e-commerce website featuring user authentication, product listings, shopping cart functionality, and secure checkout processes. Designed responsive and interactive user interfaces using React.js and Bootstrap to enhance user experience. Integrated backend services with Node.js and MongoDB for efficient data management and seamless website functionality.
- **Technologies :-** HTML5, CSS3, JavaScript, Bootstrap, React.js, Node.js, MongoDB

---

## EDUCATION

- **Bachelor of Technology (B.Tech) in Computer Engineering**

Godavari Foundation's Godavari College of Engineering

Passing Year - 2026

- **HSC**

Jay Yogeswar Science Collage

Passing Year - 2022

- **SSC**

G. S. High School Amalaner

Passing Year - 2020

---

## CERTIFICATION & ACHIEVEMENTS

- **Full Stack Java Developement Training From It Vedant Vashi Navi Mumbai .**
- **Python Programming Certification From Passion Software Solutions Jalgaon.**

### ACHIEVEMENT :-

- **smart India Hackathon 2024 - Smart Irrigation System Precision Farming**

Participated in a Hackathon and developed an IoT-based Smart Irrigation System for Precision Farming using sensor-based automation and real-time monitoring techniques. Collaborated with a team to design and present an innovative agriculture technology solution.
